

The Provincial Advisory Committee on Child Abuse (PACCA)
is pleased to offer a half day free educational workshop

Navigating the Child Mental Health System in Winnipeg

May 8, 2014
1:00pm – 3:30 pm

Guest speaker is Marg Synyshyn from Manitoba Adolescent Treatment Centre. Marg will be defining mental health and mental illness, explain how cases are triaged from a mental health model, provide information on the mental health pyramid and information on various services, and explain the role of hospitalization.

There is no cost for attending this event; however, in-person space is limited so participants must register (see below)

Options for participation:

1. Participate in-person at 217 AB - 1181 Portage Avenue, Winnipeg
2. Participate via video-conference (video-audio-plus voice interaction) – 3 sites maximum (Thompson Resource Centre, Swan River, The Pas, Dauphin, Norway House)

Option 1: If you would like to attend in person, please use the Manitoba Education “Workshop Registration System” (WRS) at <<http://web16.gov.mb.ca/workshops/>>. If you have not used the WRS before, you will need to begin by clicking on “Create a login profile”. In case of technical difficulty with the registration system, please send an email to <Brenda.Medeiros@gov.mb.ca> including the name, role, email address, and organization you work with. Please note that the WRS closes one week prior to the workshop date.

Option 2: If you would like to participate using the video-conference option, then please contact Brenda Medeiros <Brenda.Medeiros@gov.mb.ca> as a limited number of video-conference sites are available and technical support will be required.

If you have any questions, please contact: Brenda Medeiros at 945-5686 or toll-free at 1-800-282-8069, ext. 5686 or by email at <Brenda.Medeiros@gov.mb.ca>
